Skirmish Central Paintball Games

Paintball is an active sporting pursuit involving the elimination of opponents by firing paintballs from a paintball marker. Skirmish Central ("Skirmish") is committed to ensuring that you have a safe and enjoyable experience. For your own safety and for the safety of other players and Skirmish staff you are required to read and observe the following rules ("the Rules") prior to commencing play. If you have any questions on the Rules or any other aspect of the game then please put all your queries to the Site Marshals who will already have identified themselves to you or will do so before you commence play. The Site Marshals will be responsible for conducting all games and enforcing the Rules.
